

OASIS EV™

PRODUCT OVERVIEW

Electric Vehicle Programs and Projects made easy

- **Project Management** Manage hundreds, even thousands of projects
- **Visualize Data** Dashboards and Reports are available at the push of a button
- **Data Consolidation** Process, Prioritization and Calculations are hard-wired, no more need for multiple spreadsheets and trackers to crunch data
- **Scalable** The system scales based on your needs to manage projects of all sizes
- **EV Terminology** Out of the Box with the fields you need
- **Secure** Your data is safe and protected with user permissions and hierarchies
